20 - 23 April 2019*

*We are very delighted to announce that Her Eminence Mindrolling Jetsun Khandro Rinpoche is coming this year to the Czech Republic at the invitation of the meditation center, Samten Tse Praha.*

### ***Her Eminence Mindrolling Jetsün Khandro Rinpoche***

Her Eminence Mindrolling Jetsün Khandro Rinpoche was born the eldest daughter of Kyabje Mindrolling Trichen, the Supreme throne holder of the Mindrolling lineage, one of the six main Nyingma lineages of Tibetan Buddhism. Rinpoche was also recognized as the incarnation of the great Khandro Ugyen Tsomo of Tsurphu by His Holiness the 16th Gyalwang Karmapa and in this way holds both the Nyingma and the Kagyu Lineages.

Rinpoche received extensive training and

teachings from a very young age from some of the greatest masters of Tibetan Buddhism of our age such Kyabje Mindrolling Trichen, Kyabje Dilgo Khenste Rinpoche, Kyabje Tulzhig Rinpoche, Kyabje Taklung Tsetrul Rinpoche, Kyabje Tulku Ugyen Rinpoche and Kyabje Tenga Rinpoche. Today, Rinpoche teaches widely around the world, leads several monasteries, nunneries and retreat centers and also directs many charitable projects.

### ***The Topic of the teachings***

This year Jetsün Khandro Rinpoche will continue to bestow a detailed commentary on the profound stages of creation (khyerim) and completion (dzogrim) from the Mindrolling Dorsem Cycle of Teachings, which was commenced last year. These teachings are a rare opportunity for students to systematically learn about the principles and skillful methods of the vajrayana path. Throughout the teachings Rinpoche also guides us in how to gradually apply these methods in our view, meditation and conduct, so that our understanding does not remain only theoretical or intellectual, but leads to true transformation.
